## Management consulting skills training

On March 12th, there will be a training event on "basic skills for management consulting" given by a PhD candidate at Tsinghua University (The same event will be repeated on March 19th).

This first session will cover fundamental/intermediate-level PPT, Excel, and interview/case study skills. The course will run from 9am to 5pm (with a lunch break).

Price: 870 yuan per student for the full day's course.

Deadline: Friday 10th. Please make payment via WeChat to confirm your place. There are only 15 spots available for each session.

Equipment: Laptop with Microsoft Office 2016 installed (Office 2013 also works, but does not have the complete range of functionalities)

Location: Home Café, close to Tsinghua East Gate
